TANZANIA UK ROADSHOW 2026
EXHIBITORS HANDBOOK

Welcome to the Tanzania UK Roadshow 2026.

Now in its third year, I am delighted that you've been able to join us on our much-talked about roadshow, heading out across the UK

"Best line up ever?"

We've some familiar faces with us again this year, but I'm also delighted to have added in 8 new exhibitors (meaning that 33% of you are new!). As I write, we've a sell out audience, so fingers crossed that everyone makes it on the day.

Over the next few pages, you should find all the information you require to ensure you make the very best of the events.

WHAT YOU NEED TO BRING

- **Presentation** – as you'll be holding 15-minute meetings, make sure you've a suitable presentation to last that time.

- **Power leads** – as you'll be presenting across a length period, make sure you've a plug that works with English power sockets, allowing you to charge up.

- **Extension lead** – whilst I will be providing plenty of leads, why not cover the bases by bringing one just in case?

- **Business cards** – all your contact details feature in the Buyer Notebook, so these are not essential.
